

PET REGISTRY FOR SWEETWATER CLUB

Please complete the attached form, including photo, for every cat and dog in your family. We want them to stay safe as much as you do but if one of them gets loose, they are often at risk.

Please accept this reminder of our covenant requirements (Article IX, Section 1d) for dogs and cats:

“NO DOGS OR CATS WILL BE ALLOWED TO RUN LOOSE ON THE PROPERTIES. ALL DOGS AND CATS MUST BE KEPT INSIDE THE HOUSE, ON A LEASH OR IN A FENCED YARD.”

Even though your pet may be extremely well-trained and obey you without hesitation, he or she must still be on a leash when off your property.

Further, it is your responsibility as a pet owner to make sure that each pet wears an ownership tag with your contact information. Better yet, microchip your pet as well and do not take any chances! We do not have any facility to board a lost animal so it may get turned over to Animal Control if we cannot identify its owner.

Please help us provide the best service we can. We would never want your family to lose a beloved pet because we couldn't find its home.

Additional forms can be obtained from the web site, www.sweetwaterclubstates.com and from the guards on duty

Thank you.
